

PRINCE2® Practitioner Examination Workshop

Audience

This workshop is intended for delegates who are familiar with the PRINCE2 project management method. It provides revision of the method and gives guidance and practice in preparing for the PRINCE2 Practitioner examination administered by the Association of Project Managers Group (APMG).

Prerequisites

Delegates should have passed the PRINCE2 Foundation examination within the last 12 months.

Course Aims

The aim of the workshop is to review the PRINCE2 project management method and prepare delegates for the PRINCE2 Practitioner examination.

Extensive use is made of case study material which is designed to help delegates to:

- Consolidate the elements of the PRINCE2 Foundation Course
- Apply the elements of PRINCE2 in a realistic, practical setting
- Discuss PRINCE2 scalability issues
- Apply the elements of PRINCE2 to a practical scenario as they will be expected to do in the Practitioner Exam

Course Objectives

By the end of the workshop delegates will be able to:

- Apply the PRINCE2 project management method to a practical scenario
- Understand the requirements of the PRINCE2 Practitioner examination
- Apply the techniques required by the PRINCE2 Practitioner examination
- Take the PRINCE2 Practitioner examination

Duration

2 days

Free Software

All delegates on our PRINCE2 courses receive a CD with the Benchmark Community Edition of PROJECT in a Box, the world leader in PRINCE2 management software.
